Saint Luke University Parish - Youth Ministry Permission Form 2021 - 2022

Dear Parent or Legal Guardian,

Through-out the class year there will be times where our Faith Formation Youth Group will be going on field trips that will take place away from their normal meeting place. Some of these activities will require transportation to a special event at different location. All field trips and transportation needs will be under the guidance and supervision of the Youth Ministry leaders.

If you would like your child to participate in any field trips this school year, we need you to fill out the statement of consent and medical treatment release form. This form will be kept on file for the extent of the school year and will cover all field trips. Your child will not be able to attend any field trip if we do not have this on file.

If any contact and/or medical information changes within the year this form is for, you will need to re-submit a new form as soon as you are aware of these changes.

These forms will be available by paper and on our website (stlukegvsu.org). Forms may be turned in during business hours, at Mass and class. If you have any questions, please contact John Graveline or Kim Thomas.

Thank you!
