

Flocknote Giving

We are now taking donations and payments online through *Flocknote*! There are many positive reasons for this transition. By moving our giving platform from ParishSoft Giving over to *Flocknote*, all your information will be in one secure place. *Flocknote* allows you to see exactly what you've given throughout your giving history, in real time. It is easy, fast, and secure.

We will be closing out the giving through ParishSoft in October, so if you do have recurring donations, you will need to stop those. Please be aware that currently *Flocknote* **does not** have an option for recurring payments but it's in the works, so I will let you know when it's available. If you have any questions or need assistance, please contact Kim.

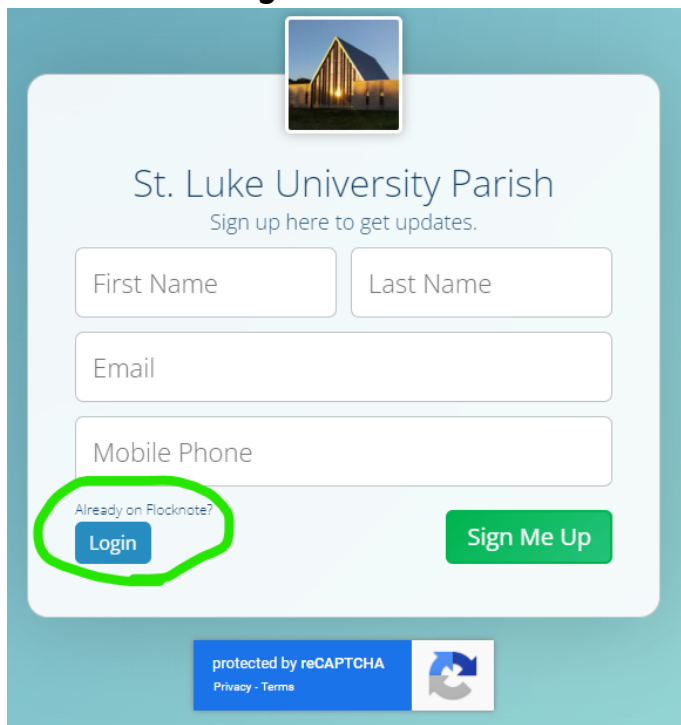

Almost all parishioners are in our *Flocknote* database. All your information in one place, not in 3 different databases.

If you haven't created an account, or not sure if you have one, before creating one, please go to

<https://stlukeuniversityparish.flocknote.com/>

click on the 'Log In' and put either your email or phone number. This way we do not have duplicate accounts. If you are having issues, please contact Kim at the parish office.

This is what the website page looks like when you click on the link.

There are 2 ways to give, click the link below or you can also text. The easiest way is through the link:

<https://stlukeuniversityparish.flocknote.com/fundit/give>

From here, you can select which fund you would like to donate to [not all showing]

Select a fund to give to:

Donations	Give
Campus Ministry	Give
Sunday	Give
Building Fund	Give
Food Pantry	Give
Scrip	Give
Coffee Fund	Give
Mass Intentions	Give
Womans Fellowship	Give
Student Meals	Give
Faith Formation	Give
FOCUS	Give

You can also store your payment method(s) in your Flocknote account, so when you donate, you will see all the donations you've given, and see a 'wallet' choice. You can make changes, add, or delete what you have on file there. Once this is all set up, the next time you donate, it will be as simple as go to the link, chose your fund, enter your dollar amount, and select your payment method. Quick and easy.
